

## **MENTION RIVERLEA WHEN BUYING AUTO LICENSE TAGS**

Make sure Riverlea is the taxing district (2520) so that some of the money (your money) will go to the Village.

## **AUTUMN LEAVES**

It is up to the residents to bag their leaves and put them out with their trash.

## **SNOW REMOVAL**

- Please move parked cars off of the street after 2 inches of snowfall so the plow can clear the street.
- When shoveling or clearing your driveway, do not throw snow into the street.

## **GARAGE SALES**

- No permit is necessary.
- Locate garage sale signs only on the property hosting the sale. They are permitted only one day before the sale and on the day of the garage sale.

## **DOG WALKING (DOG WASTE)**

- Pick up after your dog and dispose of it properly.
- Please do not dispose of waste in neighbor's trash can or in the storm sewer.

## **THE VILLAGE OF RIVERLEA RESIDENT INFORMATION**

Welcome to the Village of Riverlea. We are so glad you decided to stay. As a new resident you probably have a lot of questions about living in your new community. The purpose of this guide is to highlight some of the more important or most requested information. This is not intended to answer all of your questions, so please feel free to contact anyone on Council.

### **GOVERNMENT**

Our Village Web site is [www.riverleaohio.com](http://www.riverleaohio.com).

The Riverlea News is published and mailed 10 times a year when Council meets. Current information is also available on 5 bulletin boards located throughout the Village.

The Village publishes the Riverlea Directory listing the names, addresses and phone numbers of the Mayor, Council members and other officials. It also contains the Council meeting schedule, trash collection schedule and information about our services, activities and laws of general interest.
